Holiday Wishes from ADE Incorporated

Twas the Night Before Christmas...Mom Style

© By Catherine Cornell

Twas the night before Christmas, when all through the abode,
Only one creature was stirring, she was cleaning the commode.
The children were sleeping, all snug in their beds,
While visions of X-box 360 and IPODS flipped through their heads.

Dad was snoring in front of the family TV
With a half-constructed bike propped up on his knee.
So only Mom heard the reindeer hooves clatter,
Which made her sigh, 'Now what's the matter?'

With toilet brush still clutched in her hand,
She descended the stairs and saw an old man
All covered with soot, which fell with a shrug'
'Oh great,' muttered Mom, 'now I have to clean up the rug.'

'Ho! Ho! Ho!' cried Santa, 'I'm glad you're awake-
My gift to you was especially difficult to make.'
'Thanks Santa, but all I want is time alone.'
'Exactly!' he chuckled, 'so I've made you a clone.'

'A clone?' she muttered. 'What good is that?'
Now run along Santa, I've no time to chat.'
Then out walked the clone, the dear mother's twin,
Same hair and same eyes, the same double chin.

'She'll cook and she'll dust, she'll mop every mess,
You'll relax, take it easy, watch the Young and Restless.'
'Fantastic!' mom cheered, 'My dream has come true!'
'I'll shop and I'll read and I'll sleep the night through!'

From the room up above, the youngest did fret.
'Mommy come quickly----I'm scared and I'm wet!'
The clone replied, 'I'm coming sweetheart.'
'WOW!' the mom smiled. 'She sure knows her part.'

The clone changed the small one and sung him a tune
As she bundled him up in a blanket cocoon.
'You're the best mommy ever---I really love you!'
The clone smiled and said, 'I love you too!'

The real mom frowned and said 'Santa , no deal!
That's my baby's love that she's trying to steal.'
Smiling wisely Santa said, 'To me it's so clear,
Only one loving mother is needed right here.'

The mom kissed her child and tucked him in bed,
'Thank you so much, dear Santa, for clearing my head',
Knowing time goes too fast ,and it won't be too long,
That her children will no longer need her cradle nor song,

The clock on the mantle then began to chime;
Santa whispered to the clone, 'It works every time.'
And with the clone at his side, Santa said,' Goodnight
Merry Christmas, dear Mom, you will be all right!'

Key Statistics Provide Insight into DUI Offenders and Risk Reduction Program Attendees

ADE Incorporated gathers and analyzes key statistics for the Georgia Risk Reduction Program, as well as providing the NEEDS assessment. This data analysis provides insight into DUI offenders and other Risk Reduction Program attendees. This information is provided to DDS, Department of Driver Services, with the goal of assisting in planning the program and addressing trends.

What might be gained by the knowledge that the percentage of female program attendees rose from less than 18% in 2001 to 21% in 2007? In that same time frame, the percentage of attendees who identify using marijuana increased from 35% to almost 47%. By utilizing data on demographics, arrest histories, and drug and alcohol usage, ADE is able to provide trends, monitor efficacy, and tailor program updates to serve a changing population.

As always, please feel free to submit your thoughts, suggestions and questions to ADE Incorporated at 1-800-334-1918 or email us at supportgarrp@adeincorp.com.
