GARRP PASS WEB

Do you have a high speed internet connection? Are you ready to move to the convenience of a web-based program? ADE has just the program for you!

GARRP PASS Web has been developed with the Georgia Risk Reduction Program in mind. The application does not require the downloading of any files. Simply typing a URL, takes the user to a website where they log in to begin working immediately. The process is quick and painless!

Customers will no longer have to enter zeros in the Official Use boxes. During the entry of the NEEDS assessment, only the yellow highlighted boxes on the Official Use sheet must be

entered. **All questions within the survey must still be completed and verified before proceeding to the next page.** The software generates the same comprehensive report you are accustomed to.

It is no longer necessary to send data disks or CDs with your client files. Client files travel over the internet connection to a secure server, which is backed up daily, protecting your data from computer failures and accidental

Ordering of new assessments is accomplished over the internet through the PASS Web application. The process is fast and convenient, offering a time savings for our customers.

The monthly roster is available from the PASS Web menu and is organized in a simple, easy to understand fashion, with all previous months clearly visible.

damage.

We are still available to guide you through the program menu and available options, if you should choose. Customer service representatives will be available to answer your questions.

It sounds too good to be true, but it is available to you now! Call us at 1-800-334-1918 for your immediate access!
